To Whom It May Concern:

Please allow me to offer a few words about Helene Angley. Our synagogue recently held a Comedy Night as a fundraiser, at which Helene not only performed, but she also served as producer and talent coordinator.

Helene demonstrated the utmost in professionalism and did an outstanding job managing the event. We had several initial conversations about what the night should be like, both in terms of comedy style and budget. It was evident that Helene understood our needs, and that she has a keen sense for matching the right talent with each audience, as the comics she recommended to our committee were a perfect fit for our crowd. Their style of humor was well-received and left the audience feeling terrific.

Helene, as a comic, shows a completely different side – she is absolutely hysterical. Her brand of humor is funny and true-to-life, and I might say a bit quirky, but it totally resonates with the audience. Our show included folks who ranged in age from 20-something to 60+ and everyone had a great time.

I highly recommend Helene for both her business abilities and her comic style.

Please don't hesitate to contact me if you would like any additional information.

Sincerely,
